

The Flight of the Eagle

Isaiah 40:31

By Pastor David Kuntz

Introduction: In the Scriptures, God likens His people to many different things. For example, they are described as being like branches on a vine, trees by a river, a light on a hill, a runner in a race and even as a wrestler. But one of the most interesting images is that of the eagle. In a study of the flight of the eagle one may observe that the eagle was created to soar. God sent His only Son into this world that we might be free and free indeed! The flight of the eagle will reveal two grand spiritual truths for the Christian to meditate on for the New Year.

I. God Has a Purpose for You (Deuteronomy 32:11)

A. He wants to stir you to maturity (vs. 11a)

B. He wants to bring you closer to himself (vs. 11b)

II. God Has a Promise for You (Isaiah 40:31)

A. Those who wait on the Lord will have inward strength (vs. 31a)

B. Those who wait on the Lord will have upward strength (vs. 31b)

C. Those who wait on the Lord will have onward strength (vs.31c)
