

Palm Sunday: An Appetizer Before Easter

Luke 19:28-44

By Pastor David Kuntz

Introduction: The purpose of the triumphant entry was to display the peace of God that only Jesus Christ can bring to a soul. His entry into Jerusalem as the king transcended the world's way of thinking. The Lord would use this act to help men overcome doubts. The Lord has one remedy to extinguish doubt and it is with the Word of God. In this well known story our Lord will use the word to flood our souls with peace. Let's look at 4 reasons why our Lord entered Jerusalem.

I. He Entered on Time (Daniel 9:25-26)

II. He Entered to Prove He was God (Luke 19:28-34)

III. He Entered to Fulfill the Scriptures (Luke 19:35-40)

IV. He Entered to Die for Sinners (Luke 19:41-44)
