

The Portrait of a Blessed Man!

Job 1:1-3

By Pastor David Kuntz

Introduction: God wants to anchor your soul with a joy, contentment, peace and hope that no matter what life throws at you, you will remain happy! This is precisely what happens in the life of poor Job. Misfortune, bankruptcy, death, sickness, and slander ravage this man's life. But yet within his fiery trials, he discovers the key to being blessed. Blessedness is based on the fact that one's life is right with God. And Job's position of fearing the Lord is what brought him blessedness. I am afraid that many people in this world fail to comprehend what it truly means to be blessed. I believe the Lord preserved this portrait of a blessed man to help us rediscover what it means to be truly blessed.
