

Warning: Under Pressure!

Job 2:1-8

By Pastor David Kuntz

Introduction: Have you ever noticed those infamous words printed on a label of a can? Warning: contents under pressure; do not puncture! Well, I guess that is how Job felt as he was being put under an immense amount of pressure in chapter one. As the second chapter begins, so does round two. Satan is going to attempt to puncture Job's faith through 3 different diabolic strategies.

I. Satan Desires to Indict God's People (vs. 1-3)

A. He must report to God first (vs. 1-2)

B. It is the Lord who brings the test (vs. 3)

II. Satan Desires to Inflict God's People (vs. 4-6)

A. In an attempt to bring out your selfishness (vs. 4)

B. In an attempt to get you to curse God (vs. 5)

C. But Satan is limited in what he can do to you (vs. 6)

III. Satan Desires to Immobilize God's People (vs. 7-8)

A. By striking you with painful diseases (vs. 7)

B. By bringing you down to an all-time low (vs. 8)
