

## Christmas With the Angels!

By Pastor David Kuntz

**Introduction:** We are living in an age in which people are enamored with angels. It is during Christmas that these creatures receive the most attention. The reason for this is because the Christmas story is filled with their manifestations. There are 7 specific angelic appearances around the birth of Christ in the N.T. These divine beings played a major role in the birth of Christ. What I would like us to do tonight is celebrate Christmas with the angels so we can learn 4 important lessons from them. These lessons are not designed to build up a pile of useless information about angels, but rather enhance your love and service for Jesus Christ more.

### I. Mary & Zechariah's Visit With Gabriel (Luke 1:19, 26-33)

#### Lesson #1 – We Must Magnify Jesus Christ

### II. Joseph's Dreamy Experience With Angels (Matt. 1:18-21)

#### Lesson #2 – We Must Encourage Others

### III. The Shepherd's Testimony of Angels (Luke 2:8-14)

#### Lesson #3 – We Must Glorify God

### IV. The Wise Men's Encounter with an Angel (Matt. 2:9-12)
